

Applying DevOps to the core for the UK's biggest IT estate

Mayank Prakash

Who are we?

DWP
Digital

We have a presence on most UK high streets

We transact £170 billion every year

We manage 50 million lines of code

**We have one of Europe's largest IT estates
operating across 850 buildings
and 90,000 desktops**

**Our purpose
sets us apart**

**We support almost every UK citizen
at some point in their lives**

Make DWP more efficient and effective

Re-imagine customer experiences

Improve outcomes for society

DWP
Digital

We've always broken new ground

What do our developers say?

Kirsty
Software Engineer

**But we're still on a journey to create
an organisation which is fully:**

**Inclusive
Supportive
Inquisitive**

**We are experts working across
28 professional communities**

**What would I say to
my younger self?**

Be bold in your aspirations
